

SALE NEW

jeanneau Sun fast 3300

Description

Conceived by the duo [ANDRIEU | VERDIER] and built entirely with the infusion process, the Sun Fast 3300 has a modern hull with a double concavity profile, exceptional strength and rigidity, with a significantly reduced weight.

Thanks to its powerful and light hull, its two rudders and its straight keel, this new Sun Fast will be able to combine speed and course stability at all speeds.

Perfectly adapted for solo, double or crewed racing, the Sun Fast 3300 will prove to be competitive on both coastal and offshore courses

Staging and technical:

4 Winch (Harken performa).

Domestic Facilities onboard:

Manual Toilet.

Sails accessories:

Bowsprit.

Kitchen and appliances:

Galley, 2 Burner.

Accessories notes:

Removable bow roller, Halyard bag in cockpit, Sea water foot pump, Anti-roll sheets, Ballast water (2x200L)
