excess Excess 11

Description

The Excess 11 has taken advantage of the experience of larger catamarans, without sacrificing the comfort features necessary for pleasant cruises. It should be added that it offers a volume worthy of a larger boat, both in the square and in the cabins, for example it is equipped with a bed of 2x2 meters in the master cabin and bathrooms with separate shower cubicle! Outside, it offers comfort and space for conviviality in the large mackerel cockpit and a double steering that allows pleasant sensations at the helm as well as direct contact with the rest of the crew.

Here is the synthesis of the Excess spirit: a beautiful, simple, light and comfortable boat!
