jeanneau Sun fast 30 one design

Description

Available from May 2024

The Sun Fast 30 One Design aims to write a new page in offshore racing by offering a one-design ideal for multi-day competition, accessible to enthusiasts and the new generation who, with a reasonable budget, will be able to have a 100% made in France one-design, perfectly equipped for racing and easy to maintain. This One Design class will become a benchmark for offshore sailing, with an extensive programme of international regattas that promises to be exciting.

The result of a fruitful collaboration with some of the leading nautical operators – the architecture studio VPLP Design and Multiplast, the Sun Fast 30 One Design is an innovative, powerful and versatile 30-foot sailboat that aims to make offshore racing more accessible, more fun and more sustainable.
