# jeanneau Sun odyssey 380

## Description

The Sun Odyssey 380 combines performance, smoothness and comfort on board. The inverted bow allows for greater efficiency downwind and easier manoeuvring in port. Sloping gangways and off-centre wheel rudders make it safe to move on the main deck and improve the helmsman's visibility. The lower boom facilitates access to the sails and increases the sail area without weighing down the boat.

The interiors, bright and airy, reveal a modern and refined aesthetic that conveys a feeling of tranquility and comfort.

Equipped with SEANAPPS technology.
