## Description

Dufour 470 - 3-cabin version with teak interiors - Ready for delivery.

When Dufour's know-how is reinvented to shape the sailboat of tomorrow, a sailboat of more than 14 meters of design with high performance that offers incredible sensations is born.

The Dufour 470 is the successful combination of Dufour's know-how and the company's desire to innovate. This model, heir to its predecessor, reflects the shipyard's DNA but with a modern imprint.

The line of the hull and the fluidity of the deck layout make this sailboat an authentic icon which, thanks to its modernity, simplicity and elegance, has already become a new "classic".

Three models in one. Give voice to your instincts...

Easy Configuration / Ocean Configuration / Performance Configuration

An interior layout available in three versions

The Dufour 470, sailboats of more than 14 meters, is available in three different interior layouts, able to meet the taste and meet the needs of every owner whatever the number of crew members. The innovations introduced in the equipment make it possible, in fact, to gain space to move easily on board, while maintaining very comfortable sleeping areas.
