jeanneau Cap camarat 12.5 wa s2

335 000 € ALL TAX INCLUDED

Description

Jeanneau Cap Camarat 12.5 WA (walk-around), the top-of-the-range outboard day-cruiser from Jeanneau, combines high performance with space optimized for versatile use: day cruises, diving, fishing or weekends.

Outside, the aft cockpit is large and modular: an L-shaped sofa for eight people, a compass table, and a folding backrest that transforms into a sundeck. On the port side, an electric folding bulwark creates a real terrace overlooking the sea, facilitating access to the water and giving a feeling of open-air living.

In the center, the multi-configuration outdoor kitchen is very generous. In the bow, the living area can be transformed into a large sundeck thanks to the three chaise longues and the front sofas with removable table, located behind the anchor hatch

In summary, it is a powerful, comfortable and well-equipped walk-around, perfect for those looking for an elegant, spacious and reliable sport-cruiser with high performance for coastal navigation and multi-day cruises.

Main accessories: Air conditioning - T-TOP closure - 8kw generator - Electric awning - Manual gangway - Electric platform - Teak in cockpit - Teak walkways - GPS - Digital terrestrial - TV system - TV in cockpit - Stereo fusion

The Jeanneau Cap Camarat 12.5 WA (walk-around), Jeanneau's top-of-the-line outboard day cruiser, combines high performance with optimized space for versatile use: day cruises, diving, fishing, or weekend getaways.
