

SALE NEW

beneteau Swift trawler 48

Description

DESIGNED TO EXPLORE NEW HORIZONS

The Swift Trawler 48 will win you over with its personality, equipment and optimised living space.

The cockpit consists of a large transverse sofa and a folding table. This space has been designed to offer maximum comfort and functionality.

Access to the stern is via a double door that gives access to an optional large hydraulic bathing platform.

The 20 m² flybridge offers a pleasant panoramic living space. The driver's seat and its central seat are surrounded by 2 sofas that allow the whole crew to be together.

In this relaxation area there is also a dining area and a bar.

On the foredeck, a sundeck that can be converted into seats is available as an option. The asymmetrical arrangement of the bridge allows to obtain a wide and well-sheltered walkway to starboard with protection trincarino.

Space and light characterize the new trim levels of the Swift Trawler 48. Andreani Design has completely revised the interior and layout.

The main square is perfect for relaxing and having fun. There is a large kitchen with plenty of storage space, as well as a comfortable dining area that can be transformed into a double berth to accommodate passing guests.

The raised U-shaped square allows the crew to enjoy a panoramic view.
