Description

Designed to create a style that is both unusual and extraordinary, the Grande 26M is the ultimate

Azimut's masterpiece of innovation. A fluid and multi-level layout gives a sense of great freedom by encouraging an intimate dialogue with the surrounding sea, such as the

cockpit that, thanks to the innovative Deck 2 Deck, can be expanded to create a luxurious terrace.

The ultra-functionally designed spaces provide a perfect separation between the crew and the guests,

ensuring complete privacy and creating a sophisticated atmosphere that takes inspiration from the world of superyachts.

- Low Emission Yacht (Large Pod 4600 by Azimut/ZF) Greater manoeuvrability - Lower fuel consumption

- Carbon Tech (Use of carbon fiber in the superstructure to keep the center of gravity low

- Active Trim Control (Interceptor Humphree (hull resistance to water is improved)

- Air Treatment and Ventilation System
