Description

Sanlorenzo SX76 - 2022 - 2 x Volvo Penta IPS - 1050Hp - 4 guest cabins + 1 crew cabin

This boat represents an expressive synthesis of form and function, modernity and elegance. The alternation of the solids of the structures and the voids of the windows outlines an owner's suite, amidships, two doubles and a VIP one in the bow. At the stern, there is a crew area for two people.

The Sanlorenzo SX76 offers an excellent compromise between comfort and efficiency when sailing, even when cruising at maximum speed, thanks to a Volvo Penta IPS 1050Hp propulsion.
