Description

Azimut S6 Coupé - 2021 - 3 x AB Volvo Penta D8 - 550Hp - 2 x Kohler 18 EFKOZD - 3 guest cabins + 1 crew cabin

The boat tells of a sporty but also welcoming lifestyle, thanks to spaces with a modern and elegant design. Characterized by a continuous dialogue between the interior and exterior spaces, the cockpit lounge embraces the outdoor dining area and continues in total continuity inside with a second saloon, illuminated by large windows. It has 3 cabins for 6 guests with a large owner's suite overlooking the sea. While maintaining a sporty DNA, this Azimut S6 is enriched with a flybridge with sun deck and a second wheelhouse.

The bold lines of the design are combined with a three-engine IPS propulsion system, combined with a silent presence and reduced fuel consumption, thus allowing for unparalleled performance.
