Description

Ferretti 450 – 2017

2 x Cummins – 550HP – 1 x Onan 11kW – 3 guest cabins + 2 bathrooms

Full optional and few engine hours

Style, comfort, class and sporty DNA are the key words of this Ferretti 450. The boat stands out for its "new wave" décor, based on the contrasts between materials and colors, between essences and fabrics, between

lacquered and satin, offering 3 guest cabins with full-beam, owner's cabin amidships, forward VIPs, each with its own bathroom and a third double guest cabin with bunk beds.

Outside, at the stern there is a dining area with a linear sofa with optional table, at the bow a spacious sun deck and on the fly a dining and sunbathing area that can be shaded by an optional awning.
