halter marine 33

750 000 € + VAT

Description

A successful and attractive refit 2014 / 2020, for this 1973 explorer yacht from the HALTER MARINE shipyard (USA).

This steel explorer boat will assure you a safe and economical navigation. The volumes and surfaces still leave room for possible new transformations / improvements with her new owner. Moreover, the boat is commercially registered, which is also a guarantee of its condition.

Very interesting project
