Description

GRANT US THE PRIVILEGE... NOTHING IS BETTER THAN THE NEW!!

MAGELLANO 66 is dedicated to those who love long cruises in total freedom and autonomy thanks to the optimization of fuel consumption and performance.

The choice of the Dual Mode hull is combined with the extensive use of carbon fiber, guaranteeing low weight, sailing stability, maximum efficiency and a long range with reduced consumption.

Unparalleled stability and comfort of navigation and high technical standards, as a pure crossover Magellano 66 allows you to sail without limits in total safety, both in displacement at 10 or 12 knots and at the highest speeds, up to a top speed of about 23 knots.

The best and most up-to-date technologies for controlling the boat and navigation are present to facilitate you both on the high seas and on arrival at the mooring: nothing could be easier and more intuitive.

Once again, Azimut Yachts combines cutting-edge technology and attention to the environment thanks to an approach that is increasingly respectful of the marine ecosystem.

A new AZIMUT brand boat is an investment that is guaranteed over time! The maintenance of the value of our brand's boats as a guarantee of the capital invested.
