Description

Sole Owner from new, EU vat paid 2019 Custom Line Navetta 33

The Navetta 33 (108.3 ft.) is a joint efforts of the Piero Ferrari, Ferretti Group's Engineering and Studio Zuccon International for the exterior design.

The hull of the Navetta 33 hull ensure performance at the top of its class in terms of seaworthiness, stability and, most of all, efficiency in any seas. At cruising speed of 10 - 12 knots, it has a range of up to 1,850 nautical miles. Absolute comfort is guaranteed by 2 x Seakeeper 16 stabilizers when at anchor and ABT-TRAC fins.

The yacht offers fabulous spaces to owners and their guests across all four decks by the wide body Master Suite forward on the main deck through to the four guest cabins all with head in suite on the lower deck. Thanks to the exterior panoramic terrace and the magnificent opening windows and doors, lounge areas and the interior and exterior dining areas all is very spacious and bright.

The sun deck, with its whirlpool tub and large sun pad, is designed to provide moments of total privacy. The crew also enjoys huge space. From the private captain's cabin located behind the helm station, to the comfortable crew area, located on the lower deck for additional 5 crew members. The Navetta 33 has a dual movement mechanism of the garage door which transforms the stern into a fantastic beach club, or as a garage which holds a Williams 505 DieselJet and a Seadoo Spark Trixx.

She is the ideal yacht for covering long distances with low fuel consumption, with
