

SALE PRE OWNED

ferretti yachts 165 fly 55

Description

MINT CONDITIONS Ferretti 165/55 fly.

Same Owner and Captain for long time, massive maintenance and cosmetic pimp ups.

Technically perfect. One sole note to give the idea: these old engines are generally everlasting but they do always heavily smoke. The Owner here invested 15k euro for a pre heating system that almost reduce the smoke down to zero. Naturally injectors, heat exchangers and all parts to be maintained have meticulously been done.

New teak.
