Description

New brand of exclusive Italian motorboats, with a unique design in the world!

Come and discover the boat that wasn't there, the boat you've been looking for!

Vizyo is the emblem of those who believe in their dreams, which descends from the extensive experience gained in the Italian shipbuilding industry of the highest level.

The boats we design are destined to last over time, in a style that is always recognizable, but constantly renewed.

Italian projects, with an attractive design, easy to use, capable of responding to the different needs of people who surf and pay attention to the contents: safety and reliability, practicality and comfort.

Introducing the entry level VIZYO 25.

Motorized Day Cruiser boat, walkaround cockpit with sundeck and cabin below deck, equipped with all the comforts to spend carefree days at sea.

Elegant, sporty, practical are the adjectives for which this boat stands out, whose design is not only unique and captivating, but also optimized for the real use of the spaces on board.

It is characterized by a symmetrical layout: at the bow the sundeck comfortably accommodates three people and can be reached thanks to two side passages so wide that they can serve as seats,

to the advantage of conviviality on board and very practical in longitudinal
