3 spacious cabins, including the owner's cabin on deck with double bed, armchair, wardrobes and bathroom with shower, the 2 VIP cabins are aft below deck with double bed, wardrobe and en-suite bathroom with shower. The kitchen is well accessed. Study area with sofa. Social bathroom with shower.

In the Flybridge it has a sundeck, Jacuzzi, outdoor dinette, bar complete with icemaker 2 bbq/grill, sink. and console with 2 wheelhouse controls.

The Amer 110' pleasure boat opens a new frontier, also in view of the new IMO regulation on emissions that will involve the adoption of catalytic converters. The Volvo Penta engine is already in line with the new legislation and we support respect for the environment through low emissions into the atmosphere. Thanks to the engine adopted, it drastically reduces emissions and consumption. In fact, these engines have the advantage of allowing a decidedly limited fuel consumption, about 30% less than traditional engines of the same power.
