

SALE PRE OWNED

asterie 35 hard top

150 000 € All Tax Included

Description

Equipped with 2 Yanmar diesel engines of 370 hp, this model reaches 25 knots in cruise with a consumption of only 50 L. The Hard top does not decrease performance, on the contrary, a clean shell will reach 35 knots. With its width and low center of gravity, the Asteria offers a good overall balance while tilting slightly mid-rev to avoid splashing. By accelerating, this sensation decreases, maintaining a perfect general plate without always requiring the use of flaps.

Beautiful unit iverné has ground every year.

RARE on the second-hand market
