silvertone 45 convertible

235 000 € All Tax Included

Description

The sporty qualities and the optimization of the interior spaces were the characteristics that allowed the Silverstone Marine 45 Convertible to be recognized as the perfect Sport Utility Boat.

The 45 Convertible is characterized by particularly livable spaces and rare to find on boats of the same category. The flybridge is extremely large and can accommodate up to 10 people, as well as having air conditioning and heating and a control seat with a 360 ° view. The cockpit is also very practical and livable.

In the interiors the first thing that catches the eye, are certainly the space and comfort: three flat cabins with two equipped bathrooms and shower cubicle, a kitchen with electric ceramic hobs and four coffered fridges. Retractable TELEVISION and Ultraleather sofas with chaise longue, make this boat one of the best places to spend your time. Also with regard to the engine, something truly remarkable was chosen, such as the powerful Volvo 715 engines.

Navigation equipment:

Rudder angle indicator, Electronic engine control.

Staging and technical:

Engine Alarm, Bilge Alarm, Water pressure pump, 4 Batteries, Deck Shower, Directional Spotlight, Hydraulic Flaps, Solar panels, Manual Bilge Pump, Entry door, Shorepower connector, Water harbor connector system, Electric Windlass, swimming ladder, Tender.
