Description

Observing the superstructure that reaches forward, and the beach area with the proportions of a large terrace, it becomes immediately clear that the SX line is a revolutionary project. Functions and uses of spaces intertwine, giving rise to a "crossover" yacht that is perfect for sophisticated contemporary owners. The main deck has been freed of the wheelhouse, which is instead placed on the flying bridge: the result is a continuous space to be used as a large, unified living area. The upper deck, which hosts the wheelhouse, has a dual function: protected towards the bow by a fixed windshield, thanks to a system of sliding panels it can become a closed, climate controlled panoramic lounge; kept open on the three sides towards the stern, it provides direct contact with the sea. Her four-cabin interior layout provides spacious accommodation for up to eight guests on her lower deck divided into a master suite, a forward VIP suite and two twin cabins.

Navigation equipment:

AIS, Rudder angle indicator, Compass (Riviera), On-Board Computer (Raymarine), Display, DSC vhf (Raymarine A80289), Depth Sounder (Raymarine), GPS (Raymarine), Joystick, Autopilot (Raymarine), Plotter with GPS antenna (Raymarine), Radar (Raymarine), Dynamic positioning system.

Staging and technical:

Water pressure pump, Teak Side Decks, Battery charger (12V 25A for gen set), Deck Shower (on fly), Twin Steering, Directional Spotlight (with helm station control), Hard top (with opening roof system), 4 Underwater lights (LED 7000
