Description

The Aquariva by Gucci represents a seamless union between these two incomparable contemporary classics. Fundamental to Gucci's rethinking of this most sought -after of premium motor yachts was a respect for the essence of the Officina Italiana Design's original project.

Defining the boat is a fiberglass hull painted in Gucci's own hue of glossy white, while Riva's mahogany with its masterly varnish finish – twenty coats in all, ten by brushing, ten by spraying – represents the peerless mark of distinction for the cockpit, walking decks and awning cover hatch. Other outstanding features include the allure of the Guccissima print for the waterproof fabric covering seats and sundeck and the beauty of Gucci white cotton for the luxurious bed upholstery. The boat's iconic Gucci signature comes in the green/red/green web detailing along the floating line complementing the unique green crystal windshield. Completing the Gucci customization is a series of exclusive Riva by Gucci accessories, including a picnic set, travel bags, shoes, scarves, a watch and sunglasses.
