Description

This Ferretti 630 is a full optional 20 meter flybridge boat with Gyro stabilizer and third control station at the stern. It is in excellent condition, which combined with the pure lines of the design, the finishes of quality and splendid furnishings make this boat a timeless creation that allows you to fully experience the sea comfort and relaxation. The large windows in the lounge allow 360 degree visibility of the sea.

Excellent use of the external spaces, from the large and very comfortable flybridge, to the stern dining area and the bow sundeck. The kitchen at the entrance to the living room is particularly beautiful, functional and practical. Ferretti 630 offers comfortable accommodation for 6 people in three well-furnished cabins, each with its own private bathroom: from splendid full-beam master cabin with large open-view windows, the comfortable VIP cabin in the bow, the cabin guests with two flat beds.

In recent years, many refit works have been carried out.
