Description

It is the new flagship of Invictus Yacht and signed by Christian Grande. It is the Invictus TT460 which stands out for its profile where the elegant stretch of the windscreen, which finds continuity in the carbon hardtop, gives more dash to this new model, which joins the other six models in the T Range collection.

Starting from the concept that indicates the sea as a lifestyle, the new Invictus TT460 in its walkaround organization offers large spaces at the bow with a large sundeck, and amidships, where thanks to the folding tables, the dinette transforms into a second sundeck, sheltered by the hard top.
