Description

A Mediterranean open that represents the maximum expression of the typical style of the Baia shipyards. Performance is extreme thanks to two MTU engines of 2000 horsepower each which allow it to reach a maximum speed of 45 knots.

The engine room is in impeccable condition, like new, completely repainted and all the insulation replaced. The engines were disembarked, completely repainted and ordinary and extraordinary maintenance was carried out. Furthermore, the main 220V and 24V electrical panel was changed, complete Arneson service and new generators. These are just some of the many works done.

M/Y REBELOT can accommodate up to 8 guests in 4 cabins including a master full-beam suite amidship at the stern, two guest cabin with flat beds and a VIP cabin at the bow with a double bed, each with a private bathroom. There is also a crew cabin for two. The kitchen is on the left in a separate room.

The living area on the main deck offers a large sunbathing area and a seating convertible to a dining area. Sliding glass doors open to connect the interior space, which includes a beautiful dining table and a bar. Large windows and a sunroof provide plenty of light. Sun lovers will find another sunbathing area on the foredeck.
