Description

Pershing 8X is designed to impress. The lightness of its carbon fibre structure makes it extremely fast and high-performance and enhances its sporty and aggressive style. You can recognise at first sight its aerodynamic line characterised by the two side wings that enhance its streamlined profile.

Pershing 8X reaches a max speed of 48 knots and the manoeuvring, monitoring and propulsion systems are perfectly integrated to be managed centrally by the pilot.

The innovative design of the Pershing 8X gives life to an extraordinary interior from both an aesthetic and functional point of view.

This boat is in Turn-Key condition with only 275 engine hours!
