primatist B62

850 000 € All Tax Included

Description

The B62' Pininfarina features the classic deep V hull designed to optimize the performance of the IPS engine.

The analysis of the global layout and the study of the volumes fully reflect the Primatist family-feeling with the classic counter-inclined stern which accentuates the dynamism of the hull together with an "exercise in style" on the bow, a true distinctive sign of this project .

Liveability and comfort are the primary concepts that add to those of safety and efficiency of performance and performance during navigation.

This beautiful Primatist is an excellent opportunity in turn-key condition, always stored in a shed in the winter months, all the shipyard's options, customized setup with modern finishes and quality materials, second control station for maneuvers in the cockpit, electric cockpit awning.
