Description

The asymmetric design allows for larger volumes and new vantage points, creating a space which invites the marine environment in. Thanks to this revolutionary asymmetric configuration, extra living space has been created inside too. Her main salon is wider, full of natural light with large floor to ceiling windows; and has a cozy and comfy atmosphere with its elegant and refined furniture. Her exterior lines show elegance, whilst her luxurious interiors will accommodate guests in comfort and style.

The master suite, located on the main deck forward, has direct access to the foredeck which becomes an extension of the Owner's private apartment. In addition to the master, this yacht comes with 3 staterooms on the lower deck, including a second beam-wide master, and each with its own en-suite bathrooms. There is also crew accommodation space for 4 crew on board.

This motor yacht represents an amazing opportunity to buy a 'like-new' 96' motor yacht, without waiting for long delivery delays.
