## Description

NATANTE- "PARANA' 38" marks a return: after COLORADO (line of elegant and innovative hard tops) and ESPERA (range of pure open with an unmistakable style) the PARANA' are born, sporty and gritty soft tops.

"Paranà 38" is a 12-meter boat, with a sporty style and innovative design, a well-equipped, well-equipped, practical boat that promises to become a leading model in its category. High the index of satisfactions found.

As per RIO YACHTS tradition, the representative figure of the new model is the perfect balance of indoor and outdoor spaces where nothing is left to chance.

The livery is white and anthracite. Outside we find a flat teak cockpit, very large and convertible, depending on the occasion, into a large electrically controlled table or in a large sundeck. A spacious chaise longue and an outdoor kitchen complete the whole. The soft top allows you to manage the light and the summer heat in all simplicity, combining the comfort of the sliding roof with the possibility of an almost total opening. This results in the practicality of a cockpit covered with the speedboat line.

Below deck there are spaces suitable for a particularly demanding user: two full-beam cabins and two bathrooms, kitchen equipped with convertible dinette, large windows that allow exceptional brightness, style details and exclusive accessories, in the name of Italian style.

Here is therefore an ideal boat for cruises in the Mediterranean and beyond, which allows you to enjoy the outdoor spaces with family and friends, directed to
