pardo yachts Pardo 38

Description

Pardo Yachts stands for power, elegance, quality, comfort and customizable functionality at the request of the owner. These are the values that characterize every Pardo Yachts specimen, expertly built by the expert hands of our artisans for a demanding owner, attentive to quality, high performance and speed.

After the great success of the two models of 43 and 50 feet, Pardo Yachts presents the Pardo 38 that completes the walkaround range of the Cantiere del Pardo. This new model has already become synonymous with power, elegance, quality, comfort and customizable features at the request of the owner.

The unique walkaround deck floor ensures safety on board and easy movement in the spaces. The fixed T-Top built of rigid and lightweight carbon fiber, covers from the helmsman's area to the dining area with the possibility of extending the cover to the stern with an electric two-man.

The areas dedicated to relaxation are located both at the bow, with a large sundeck area comfortable for three people, and at the stern, where we find two opposing seats and a folding table that accommodates up to six people.

For the interior spaces there are two different layouts: the standard one includes a cabin with a double bed and a bathroom, but two single beds can also be added in the aft area, to form a second cabin. The open-plan environment is characterized by large volumes, generous heights, abundant brightness and excellent ventilation, with an exceptional distribution of spaces for a 38-foot boat. The linearity and refinement of the furnishings are enhanced by the careful choice of woods and attention to detail that make the interior of the Pardo 38 an
