

SALE NEW

rio yachts Daytona 45

Description

DAYTONA 45 is born, the new icon of the sea with a spacious and flexible layout.

A hull whose main features remain faithful to the range: sleek and symmetrical lines, walkaround and central console, maximum space on board thanks to an unlimited cockpit and two large terraces overlooking the sea.

13 meters in length, it can be powered by both outboard and sterndrive engines, and both guarantee brilliant performance: style meets performance.

The cockpit has a large sundeck, a tender garage and movable seating that allows you to change the cockpit layout in a matter of minutes. The two terraces that open on the sides allow you to break down visual boundaries, feel immersed in nature and make the sea part of the décor.

The driver's seat, technological and modern, is protected by a large and firm Bimini. The passage to the bow is wide, comfortable and safe: in a few steps you arrive at the double sofa opposite the bow of the sundeck on the deckhouse.

The bright interior is represented by a multi-purpose and intelligent open space. Two cabins, a bathroom and an exceptional distribution of space for a 13-metre boat.

Daytona 45 is also a boat completely Made in Italy devoted to conviviality, pleasure and relaxation in complete safety, expertly built by the expert hands of our craftsmen for a demanding owner, attentive to quality.

PRICE STARTING FROM €650.000 WITH 3 X 400HP MERCURY VERADO OUTBOARD ENGINES - EXCLUDING VAT AND ACCESSORIES
