Description

The Cerri 86 flying sport is a very elegant comfortable and fast open, with a sporty flybridge that allows its guests to fully enjoy cruising in and out, 2005 yacht in excellent condition, Refit 2019.

The traditional living area has been replaced by two separate saloons on two different levels, offering a fascinating perspective view from the aft cockpit. A real trademark of this innovative Italian shipyard. On the upper level, behind the helm station, stands a comfortable square table for 8 people. The large window on the hard-top floods the interior with light and gives a feeling of great openness with a pleasant atmosphere in the lower saloon, which can be reached via a central staircase and equipped with a comfortable sofa.

The interior, which can only be described as strongly minimalist, clear and modern, can comfortably accommodate up to 9 guests in 4 cabins. An owner's suite in the bow, a double VIP cabin in the stern, 2 double guest cabins with single beds, one with extra pullman bed, 2 cabins for crew, a single for captain on the lower deck and a twin in the bow.

Various works were carried out on board, interventions on A/C: new Veco system, compressor disassembly and reassembly, insulated pipes, replacement of new sea water pump; periodic cleaning of seacock filters of all utilities, complete service of engines and generators, replacement of the starter battery of the starboard fly bridge generator, installed a new camera on the port side, complete polishing, new seat and controls covers, new perforated awning for cockpit and sofa, replacement of beach shower tube, replacement of the
