

SALE NEW

**Marinello Eden 590**

**17 490 € + VAT**

## Description

The Eden 590 boat has brought a decisive change of look compared to the Eden line: the first big difference in design is noticeable at the bow, where from a more rounded shape it has passed to a more squared and linear bow. The second big difference concerns the spaces: in Eden 590, in fact, they have significantly increased, making the two sundecks considerably more comfortable and livable.

Finally, the dashboard has also been redesigned giving it a sportier design.

The price is for the basic version, excluding VAT, ex construction site manufacturer, to be motorized.

The photos are demonstrative and have no contractual value.

Availability - the boat is already in order for the 2024 season, (configuration is still editable).
