**bsc B1 – 8,33mt**

## Description

Blue Navy Nautica – official dealer of the BSC shipyard – presents the B1 boat, a model with a decidedly more captivating line than the classic range thanks to the skilful pen of Federico Fiorentino, who in this line has been able to enhance the style that the company wanted to achieve.

The console, in particular, has taut lines that give impetus to the whole boat and inside which a generous toilet cabin has been created.

The driver's seat allows for a comfortable ergonomic two-seater seat in addition to the sportier feet.

The well-structured deck configuration with ample space includes two comfortable sunbathing areas.

The hull is high-performance and in line with the boat's philosophy of focusing on performance

excellent without sacrificing stability and softness when sailing.
