2bar 82 + 2x 200hp mercury demo

115 000 € All Tax Included

Description

A new entry from the 2BAR shipyard, developed in the wake of the success of the previous models, this dinghy is characterized by large spaces and numerous accessories that make it ideal for longer voyages: equipped with a small bathroom inside the console, there is the possibility of adding a fridge to experience the sea in maximum comfort. The dinghy also has an extremely spacious bow locker to store any equipment or tool useful for days out of town. The equally comfortable and extended stern offers the possibility of different configurations: from the sofa with table to the single sundeck capable of accommodating up to 4 passengers.
