

SALE NEW

sunshine 615

Description

A light and easy to wheel dinghy even swollen with a functional and high quality equipment and for those who ask for the maximum even on a boat of this size, it can be equipped with a comfortable recessed electric winch that does not steal space from the sundeck or the trampling of the muzzle.

Large bow sundeck that hides a large locker below, among the largest in the category. A console able to accommodate all the required instrumentation and above all repair 2 adults who can count on the support of a generous kidney rest to offer comfort even in the most demanding navigations. Behind the backrest an opposing seat that combined with the aft sofa creates a practical dining area that can be set up with a coffee table. And for those who want more space to lie in the sun, just recline the back of the aft sofa, add the extension and thus get a second and large sundeck that can be shaded by the awning if desired. Two comfortable stern platforms integrated and in continuity with the engine cockpit area facilitate the descent into the sea and the maneuvers on board and give that feeling of a superior category boat.
