Description

The Sun Odyssey 50 DS is the result of the collaboration of the biggest names in naval design and architecture: Philippe Briand for performance and the Garroni studio for style; This team has created the ideal sailboat to meet your highest expectations: pure line, Veritas certified DS deck, elegant and fast keel and appendages, modern interior spaces to guarantee the comfort of the new Sun Odyssey generation. It is no coincidence that all the controls are optimally positioned in the cockpit, divided into 3 zones: a space dedicated to navigation with double steering wheel, a convivial and comfortable space around a large table in the cockpit and a beautiful relaxation area. The well-sized winchs and the powerful electric winch make your sailing maneuvers easier. 3 kw generator 2022, 5 service batteries and 1 engine 2023, sprayhood 2022, boat full-length boat 2023, axle bushings and propeller overhaul 2023, original Yanmar instrument panel 2023, starter motor 2023, injection pump and injectors 2024, hull 2024 propeller 3 blades max prop bow thruster 7 hp ready to buoy
