Description

Cappuccino II is a lightly used example of the incredibly popular Bernard Okesinski designed Princess V65 hardtop sports cruiser. With just 1.360hrs run on her twin MAN 1,360hp V12 diesel, Cappuccino II offers performance potential of 26 knots cruising and in approximately 33 knots maximum speed. In respect of accommodation, Cappuccino II has everything plus more. With her amidships full-beam master cabin, luxurious VIP suite, further twin guest cabin, and completely separated crew cabin aft, the focal point is her huge inside-outside full air-conditioned saloon area complete with retractable sunroof. At her aft end, Capuccino II boasts a large and very practical cockpit, complete with a wet bar, tender garage for stowage of her Williams JetRIB, and a hydraulic hi-low bathing platform.
