

SALE PRE OWNED

azimut 64 flybridge

1 250 000 USD All Tax Included

## Description

This 64 Azimut 2014 is 2300 HP of power and the light weight of the carbon fiber outline a design that focuses on the comfort and safety of the owner and his guests. The lines of the deckhouse exude elegance and harmony with its stylish dynamic windows further enhanced by the "fin" effect emerging at the highest point of the saloon. The mirrored glass panels on the roll-bar and the back-lit logo on the flybridge are fine examples of innovative styling.

### Additional Info

Flybridge is 21 square meters, fully equipped, with the pilot station positioned on the port side to maximize liveability.

The stern area of the Fly can be customized: a sunbathing area or tender storage with a 250 kg capacity lifting crane.

Exterior cockpit and saloon: two distinct spaces that become one large light-filled space thanks to the three sliding doors in curved glass.

The pilot station is ergonomic thanks to the adjustable seat and steering wheel. It is equipped with two 15.4" navigation displays, and full engine control instrumentation.

The pilot station is electronically operated and becomes part of the 8-person dinette with the push of a button.

Function in the name of socializing: a large kitchen opens onto the dinette area. The kitchen is fully equipped with a 4-hob glass-ceramic cooktop, 130-liter refrigerator, separate 56-liter freezer, combination oven, and ventilation hood.
