Description

This Pershing 5X of 2021 is in NEW Condition, only 195 engines hours on her Twin Volvo Penta D11 IPS 950 (725Hp each, giving her a Top Speed of 36Kts and a Cruising Speed of 31Kts with a range 300NM). She is the 3 cabin model, One Double VIP Bow Cabin (with ensuite Head acting as well as Day Head), One Double Master Cabin at midship (with ensuite Head) and one double bunk bed cabin opposite the Galley.

This model is the first Generation X Range leading Pershing into a new era of yacht building.

Thanks to natural light and the soft-hued interiors she has a very warm and welcoming feel. The blend of essential design elements, lacquered frames and soft colors characterise the design of the living area. Below decks, the elegant and functional layout develops around the magnificent, full-beam Double Master Cabin. A/C through out the interior.

At the aft is a hydraulic platform which leads to a Tender Garage.

Viewing is a MUST and a great Opportunity to jump the Queue (Delivery of New Pershings not before end of 2025).
