## Description

The shipyard's flagship represents the maximum expression of Pershing's distinctive values, a stylistic revolution created to surprise: innovation, comfort, performance, design and class.

The Pershing 115' is characterized by the strongly original elements of the external lines, at the same time sinuous and decisive, as well as for the extraordinary performance of which it is capable while maintaining high comfort.

The Pershing 115' embodies the best of the Shipyard's style in terms of refinement in the details, with elements of high value for the furnishings and materials used. Thanks to a completely innovative cut of the external geometries, able to obtain unpublished volumes below deck, it offers the pleasure of spaces conceived according to the concept of luxury and privacy.

Accessories notes:

Only owner, never used for rental.
