Exquisite Version

Feel at home, in a comfortable and absolutely non-standard environment. This will be the feeling going into an IY 14.98. Its size makes it suitable for long cruises and that is why the rooms are designed to have something more not only in the choice of essences and upholstery, but in finding spaces for those commodities that make life on board more pleasant. These include the possibility of having a wine cellar and large cupboards up to the ground. The lighting is warm, diffuse, continuous and never concentrated, with a floor wash effect, never intrusive.

INTERIORS

3 cabins and 2 bathrooms with electric toilets, one with a separate shower cubicle

Forward cabin equipped with a double bed of about 195x150x120 cm with private bathroom with separate shower cubicle

Aft cabins equipped with a double bed about 200x145 cm
