fountaine pajot My 37

368 000 € + VAT

Description

This Fountaine Pajot MY 37 "Thunderball" is the perfect boat for enjoying life on the water and invites you to spend wonderful moments with friends or family. Whether quickly from bay to bay, slowly drifting on the water or atmospheric moments at the anchorage, the Thunderball is the right platform. From the flybridge you can enjoy a perfect overview and unique moments at sunsets that hardly any other ship in this category can offer. The Fountaine Pajot MY 37 has modernly designed cabins, a light-flooded salon with panoramic windows and integrated cockpit access, a wonderful flybridge with steering position, spacious sunbathing area and a comfortable seating area with a teak dining table. With its two engines, the Thunderball can be easily maneuvered and docked from both the flybridge and the salon. The two powerful yet economical Volvo Penta D3 engines have around 1,450 engine hours. They have been regularly serviced to the highest standards and have just received a major service including changing the timing belt (service interval of 1,500 hours). The Powerkat is in very good condition and is "READY TO GO". There is full and comprehensive safety equipment as well as a dinghy with 5HP outboard engine. Contact us for a viewing appointment (also online), a test drive or a technical inspection. We would be happy to tell you more about this beautiful motor catamaran.

Navigation equipment:

2 Compass, Electronic engine control, DSC vhf (et repetiteur), Plotter with GPS antenna.
