Description

Experience the Ultimate Sailing Adventure with the BENETEAU First 24 SE Seascope Edition

PERFORMANCE:

Step into the world of high-performance sailing with the First 24 SE Seascope Edition. Engineered with state-of-the-art technology, this sailboat boasts a very light, modern vacuum-infused vinyl-ester hull, a composite-build swinging keel with lead bulb, and a carbon-fibre rig. Combined with an extensive sail area, these features ensure you achieve unparalleled performance on the water.

EASY TO USE:

Simplicity meets functionality with the First 24 SE. Designed for effortless handling, it features well-thought cockpit ergonomics, minimized controls, a carbon mast without a backstay, and a light but precise steering system. The stable hull ensures that whether you're sailing solo, double-handed, or with a full crew, you'll enjoy a smooth and manageable experience.

SAFE:

Safety is paramount with the First 24 SE. This unsinkable sailboat is equipped with a swinging keel system that protects the structure if you hit the ground, and twin rudders that always ensure complete control. Push your limits and explore new waters with the confidence that this vessel will keep you safe.
