Description

Beneteau Oceanis 40.1 2024 – Impeccable Craftsmanship, Exceptional Performance.

Step aboard the Beneteau Oceanis 40.1, where luxury meets performance, and every detail is meticulously crafted for your cruising pleasure. This stunning yacht boasts a 3 CABINS 2 HEADS VERSION layout, adorned with White Oak Alpi finishes, offering a timeless elegance that sets it apart.

Unmatched Performance: Powered by a YANMAR 4JH45 CR SHAFT LINE 33KW (45HP) DIESEL engine, this sail yacht effortlessly glides through the water, providing a smooth and exhilarating sailing experience. With its deep cast iron keel, the Oceanis 40.1 delivers exceptional stability and performance in all conditions.

Luxurious Amenities: Step into the spacious saloon and be greeted by LED indirect lighting, creating a warm and inviting atmosphere for relaxation and entertainment. The galley is equipped with stainless steel appliances, including a cooker, oven/grill, and front-opening icebox, ensuring that every culinary need is met while at sea.

Entertainment: Whether you're hosting guests in the saloon or enjoying cocktails in the cockpit, the hi-fi Fusion system and interior loudspeakers, paired with waterproof exterior speakers, provide the perfect soundtrack to your sailing adventures. Plus, with USB ports in the saloon and each cabin, you can stay connected and entertained wherever you go.
