Description

2023 Azimut S8

AZIMUT S8

A shipbuilding masterpiece ready for your 2023 season! Available on the Côte d'Azur from July 2023, discover our Azimut S8 with a range of services at your disposal: management, berth, company assembly, financing .. Contact us!

Surely one of the biggest technological advances on the market, the alliance of fiercely sporty lines and Italian chic, the Azimut S8 offers you a unique experience thanks to its carbon construction of its entire superstructure and its 3x IPS 1350 engine allowing you a fuel economy of nearly 30%!

Full options: 2 generators, Seakeeper SK18, air conditioning, 3rd control station with joystick, double garage (jet ski + tender), hydraulic walkway, wooden floor in main deck, MIELE appliances, pre available SAT antenna, radar, car pilot, electric bimini, crew cabin for 3 people, 4 comfortable cabins each with their own bathroom, including a magnificent owner's suite in the center of the ship.

A lot of light on board our Azimut S8 thanks to its electric sporttop and its huge hull windows in the wheelhouse but also in the cabins.

The main deck is ideally designed to communicate the indoor and outdoor spaces. You will enjoy a beautiful beach club at the back of the boat at the water's edge, a large cockpit square, a foredeck arranged in saloon and sunbathing intelligently sheltered by a shade sail and the sportfly will bring you height and visibility at sea.
