Description

PeterNautica

From today beauty will run faster.

INVICTUS GT280S is the first lady of the shipyard, a boat that has always been praised by lovers of the sea and comfort.

Thanks to the outboard configuration, the boat becomes lively and refined in navigation, adding a thrill to the style that has always distinguished it.

The extraordinary comfort of the interiors, the balance of the lines, the stability in navigation do not compromise: the spaces on board are tailor-made to ensure all the comfort normally found on larger boats.
