55 600 € All Tax Included

Description

COMFORT AND STYLE AT ALL SPEEDS

Designed to whizz across the water, to enjoy the sun, swimming and scenery, the Cap Camarat 7.5 WA Serie3 will delight both the pilot and passengers. The V-shaped hull, which bears the signature of Michael Peters, ensures good seaworthiness, excellent maneuverability during navigation, but also in port with the optional bow thruster. The modular cockpit allows you to sit comfortably during crossings and recline the seats in seconds to allow access to the locker and facilitate circulation when the boat is moored.

GOOD REASONS TO PROLONG THE PLEASURE OF GOING OUT TO SEA

But the most surprising thing about the Cap Camarat 7.5 WA Serie3 is the level of comfort and habitability achieved for a boat of this size. In the cockpit an optional outdoor kitchen, with fridge and stove, will allow you to sip a cool drink and snack in an idyllic setting. The cabin is equipped with a spacious double berth, surmounted by large hull windows that flood the whole space with light and allow you to see the blue of the sky and sea from inside the boat. The toilets are in a separate compartment. This Day Boat gives you all the reasons to make your boat trips last as a couple for a weekend or even more.

Entertainment:

Hi-Fi (BOSS MARINE).
