Description

Ready at the buoy with motor and foot servicing, possibility of berth. On the engines all the belts have been replaced, the oil, fluids, filters and impellers have been changed while for the feet the zincs, oil change and boots have been replaced. The unit has also been serviced with replacement of the oil impeller and filters. All the zincs in the boat have been replaced and we are waiting to give the antifouling when the boat is put into the water. Many works have been carried out on my boat over the last 4 years
