AN ELEGANT AND INNOVATIVE DESIGN

With its new visual identity, the 40 immediately stands out. True to the image of Lagoon's "DNA", a new type is born: an individual, streamlined and accomplished design depicts its large portholes and panoramic view. This creates a refined and high-performance group, underlined by the chamfer that runs from front to rear. A new generation Lagoon, recognizable at first glance.

EXTERIOR: SPACE AND COMFORT

- A luxurious cockpit overlooking the sea: a dining table, a recreation area on the same side and accommodation at the taillight.
- An ergonomic helm station accessible from the cockpit or deck, thus allowing communication between the skipper and the crew at all times.
- Large stern crossbars with a large aft plan, allowing easy access to the support and locker, easy boarding.

INTERIOR: ELEGANCE AND BRIGHTNESS

- A selection of luxurious materials, signed by Nauta Design, enhances the fresh interior lines.
- A wide choice of housing solutions to meet the needs of owners and large families: available with three or four rooms.
