Description

Despite its competitive history, CHRILA's interiors have been maintained with care and beauty, with full inner padding during the races. The entire interior has been regularly repainted where damaged/necessary every year, maintained by the professional captain.

Chrila has won in almost every race she has entered, including a victory at the Rolex Swan World Cup and Swan Baltic Challenge, Kiel Week, Gotland Round and several Flensburger Herbstwoche (full ORC and IRC 2017 ratings available).

While sailing most of the time with the owner and family, it has all the comforts and conveniences of cruising. The owner's shack is a double for port FWD with a reserved head & a barn downpour. Two guest cabins aft can be used as double cabins or on the left side, there is an optional double berth and on both sides tubular berth, to be used during regattas.

Chrila is present in the 2014 edition of the volume "Segelyachten" Superyacht 2017 by S.Kramer and Nautor History, as well as in various magazines and reports, the latest in 11/2017.
